

Notes worth sharing

A little structure brings an idea to life.

Write once. Keep the details.

Python

```
def publish(notes):  
    """Give every idea a page."""  
    for note in notes:  
        export_pdf(note, theme="minimal")  
    return len(notes)
```

Mathematics

$$\int_0^1 x^2 dx = \frac{1}{3}$$

Your words	On the page
Code & equations	Clear and readable
中文与 English	Together, naturally
